## HELP FARMER GILES CATCH THE PIGLETS!

The piglets have escaped again!  
Challenge a friend to see who can make the most piglet pens.

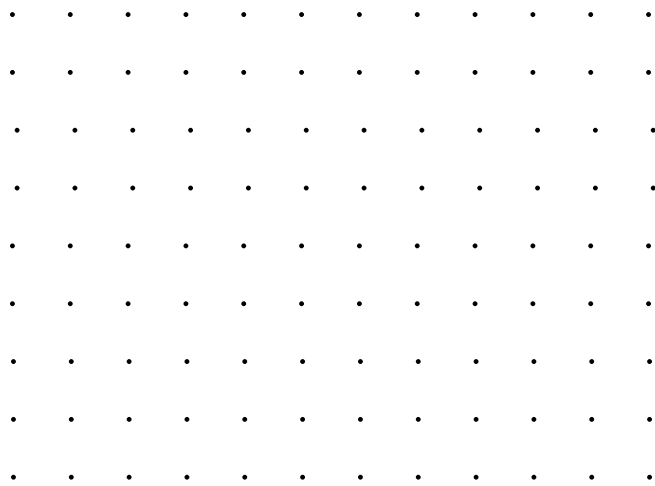

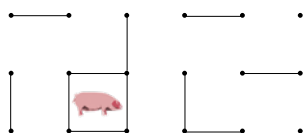

Take turns to draw one line between two dots to build square pens.

When you draw the fourth side of a square, you've made a piglet pen.

Write your initials inside – that pen is yours.

Keep playing until no more pens can be made.

The player with the most piglet pens wins.
